DIAMOND COLLECTION

Light, crisp, and effortlessly refreshing, Diamond Collection Shimmer is a vibrant blend of Sauvignon Blanc and Pinot Grigio, crafted for easy enjoyment. Sourced from select vineyards in California's cooler regions, this wine is a gentle invitation to unwind. With every sip, relaxation finds you—whether you're basking in the afternoon sun, sharing laughter with friends, or simply taking a moment for yourself.

WINEMAKER'S NOTES:

To capture the perfect balance of ripeness and refreshing acidity, the grapes for this wine are harvested at night, when cooler temperatures help preserve their bright, vibrant character. Upon arrival at the winery, the fruit is gently pressed and fermented at a carefully controlled temperature, allowing its fresh citrus and floral aromas to shine. This meticulous process ensures a crisp, lively wine with beautifully balanced flavors.
