# FRANCIS FORD COPPOLA WINERY'S GRAPEFRUIT-PINEAPPLE SPRITZ

*The pro move in this brilliantly simple, low-ABV spritz is turning to pineapple gum syrup, a classic cocktail sweetener that adds body and texture, but no alcohol. Combined with tangy grapefruit and Coppola Prosecco, it's a tart-sweet explosion of fizzy, citrusy refreshment.*

## *Ingredients*

1.5 oz. grapefruit juice

3/4 oz. pineapple gum syrup, such  
as Small Hands Foods

**2 oz. COPPOLA PROSECCO**

Splash of club soda

1 grapefruit triangle, for garnish (*optional*)

Add grapefruit juice, pineapple gum syrup and ice to a glass and stir well. Top with Prosecco and club soda and gently stir once, lifting the spoon from bottom to top. Garnish with grapefruit triangle and enjoy.
