CABERNET SAUVIGNON PASO ROBLES

2024

Paso Robles is an appellation known for its varied topography, soils, and meso-climates. This Cabernet Sauvignon is an exciting member of our family of Diamond Collection Cabernet Sauvignons, expressing vibrant notes of black fruit and spices, with an opulent body and long finish.

WINEMAKER'S NOTES:

The 2024 Diamond Signature Collection Paso Robles Cabernet Sauvignon opens with inviting aromas of dark fruit, toasted oak, and warm spice. On the palate, concentrated flavors of ripe blackberry, caramel, and baking spices unfold within a rich, structured body. The warm, extended growing season produced smaller berries with intense flavor, while careful vineyard management preserved balance. Early extraction and thoughtful oak aging enhance depth and texture, as velvety tannins carry through to a long, persistent finish, making this wine expressive and approachable upon release.
