PINOT NOIR SONOMA COUNTY

2024

Our Signature Collection Sonoma County Pinot Noir is grown in an appellation shaped by cool marine air and morning fog rolling in from the Pacific, moderated by Sonoma's diverse microclimates and coastal mountain influence. This maritime cooling prolongs the growing season and helps the fruit maintain a strong level of natural acidity and rich concentration. Our Sonoma County Pinot Noir offers great finesse with layered, silky textures, and profuse aromatics.

WINEMAKER'S NOTES:

The 2024 Diamond Signature Collection Sonoma County Pinot Noir is bold and structured. Enticing aromas of ripe cherry and cola gracefully intertwine with hints of vanilla. The palate is met with rich layers of raspberry, complemented by raspberry and a delicate touch of spice, leading to a long, luxurious finish.
