

CALIFORNIA
SAUVIGNON BLANC
VIBRANCE
2025

FRANCIS
COPPOLA
DIAMOND COLLECTION.

Inspired by our guests' desire for lighter, more refreshing wines, Diamond Collection Vibrance Sauvignon Blanc offers a delicious low-calorie and low-carb alternative. Sourced from select vineyards in California's cooler regions, where coastal breezes and crisp evening temperatures help preserve bright acidity, this Sauvignon Blanc bursts with fresh, zesty character. The result is a lively, refreshing wine that's smooth and balanced.

WINEMAKER'S NOTES:

We like to show off the tropical fruit qualities of this varietal. The grapes are picked based upon proper flavor ripeness and acidity and harvested in the cool of the night. After the grapes are pressed, the juice is fermented at cool temperatures in stainless steel to preserve the fruit's fragrance and flavors. A portion of the grapes were picked early to accommodate the wine's lower alcohol.
