WINEMAKER'S NOTES

The core of the Zinfandel is sourced from Coppola's own Estate Vineyards. Climbing up the rolling foothills on the western side of Alexander Valley, these vines tend to develop chewy, grippy tannin structure that is evocative of this varietal's home in Puglia, Italy. It is complemented by juicy red and black fruit Cabernet Sauvignon from throughout Alexander Valley and Pine Mountain AVAs with a focus on the silkiest tannins.

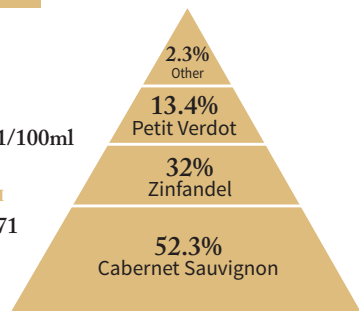

Alexander Valley & Pine Mountain

The 2020 Director's Cut Cinema is sourced from both Alexander Valley and Pine Mountain AVAs. Having made single varietal Cabernet Sauvignon and Zinfandel for many years now, we understand the diverse profiles of different selections, and have honed our expertise in creating Director's Cut Cinema using fruit that creates an exciting, bold, and harmonious blend each vintage.
